23
24 IT IS HEREBY STIPULATED AND AGREED by and between the parties' counsel of
25 record that the Deadline to reply to Responses filed on December 20, 2017 be extended in this
26 case as follows:

- 27 1. That on November 29, 2017 a Motion for Summary Judgment was filed by the
28

1 Plaintiff and by the Defendant on liability issues. An opposition brief to each
2 Motion was filed by the parties on December 20, 2017 and that as a result the
3 current deadline for filing Reply briefs to each opposition is January 3, 2018.

4 2. The parties have conferred and agreed that subject to approval of the Court, the
5 Reply deadline be extended to January 17, 2018.

6 3. This Request is for extension of the Reply to Responses to Dispositive Motions
7 filed on November 29, 2017 only. The request is made in good faith and is not
8 done for purposes of delaying the proceedings. The parties provide the following
9 information to the Court as the basis of the request:

10 5. GOOD CAUSE EXISTS FOR THE EXTENSION.

11 The parties are asking that this Court extend the Reply deadline by the
12 additional 13 days as additional time is needed for drafting replies to Responses
13 to Motions for Summary Judgment and Partial Summary Judgment. The
14 Responses were filed on December 20, 2017 and all counsel have been out of
15 the office for the holidays. That the parties need the additional 13 days to put
16 together appropriate Replies to the Responses filed and present those to the
17 Court. That the parties have been diligent in their discovery and that the
18 additional time is needed to address the issues in this case.
